MEMORANDUM FOR: Information Processing
Coordinator, DD/S

SUBJECT : Magnetic Tape Survey

1. As requested in your memorandum of 4 February 1969, there are forwarded herewith completed Forms 7025 and 7036, covering the magnetic tapes held by the Central Reference Service (CRS) and the National Photographic Interpretation Center (NPIC). In the case of CRS, there is attached a machine listing of tape library records, responsive to item 5 of Form 7036. I have not asked NPIC to furnish a similar listing, both because it would be very voluminous, and because it would raise problems of security classification.

2. If you have any questions or problems, please get in touch with Ted Nordbeck
